United States District Court

Re: United States v. Nathaniel Alexander
Docket. No.: 05-Cr-1067

Dear Judge Karas

Enclosed are a number of letters asking the Court to be lenient when sentencing Mr. Alexander. As you will observe these letters provide insight into virtually every aspect of his life. For ease of review, I have organized them in the following X categories:

1. Business
2. Social
3. Civic
4. Family
5. Awards
6. Religious

Most interesting is the number of business associates who have chosen to write to the court even after learning of the Jury's unfortunate verdict. In addition, it is worth noting that almost every letter describes concrete examples of Mr. Alexander's character.

We believe that such information is relevant to the issues before this Court. Thank you for considering them.

Respectfully submitted,

BARKET & ANGELI P.C.
